Boerne, TX–

Empowering Today's Youth To Become Tomorrow's Entrepreneurs!

The City of Boerne will be celebrating Lemonade Day on Sunday, May 1, 2016 from 1:00pm-4:00pm.

Lemonade Day Boerne is a community wide program that teaches young people the entrepreneurial skills they need to start, own and operate their own business- A Lemonade Stand! Each young entrepreneur has registered their stand with Boerne Lemonade Day and received a Certificate of Occupancy to open and operate their business on Sunday May 1st. Along the way, the entrepreneurs have learned valuable business lessons about saving a little, spending a little and sharing a little with others.

We invite you to come on out and support our young entrepreneurs and see their fabulous stands while you enjoy some refreshing lemonade. To find out where the Lemonade businesses will be located and their hours of operation, simply go to www.boerne.lemonadeday.org for an interactive map!

The Boerne Parks and Recreation Department strives to enhance and improve the quality of life for all citizens; promote tourism; and contribute to community aesthetics. These tasks are accomplished by providing quality parks and facilities, a highly trained professional staff, special events and wholesome and constructive recreational programming.
