

**Hill Country Mile Names Local Winner in 9th Annual
National Preservation Month Scavenger Hunt**
Downtown Boerne's Historic Roots Highlighted in Contest

FOR IMMEDIATE RELEASE

BOERNE, TX (June 21, 2016) – The City of Boerne Historic Landmark Commission, the Boerne Convention and Visitors Bureau and Hill Country Mile are proud to announce Antonio Martinez as the winner of this year's National Preservation Month contest highlighting Boerne's Hill Country Mile. Antonio's entry was drawn from the pool of correct entries submitted. A resident of Boerne, Martinez enjoyed participating in this year's contest.

"We walk down Main Street each Sunday after church and we've been amazed to find things that we walk by every day and just don't see," Martinez said. "We've been participating in the contest about four years now and really enjoy it. It's fun, educational and a great way to learn more about our community—in fact, each year we keep an extra copy of the poster and use it to show out-of-town guests around when they visit!"

Each year during May's National Preservation Month, a poster featuring 30 photos of historically significant icons, architecture and landmarks along and around Boerne's historic downtown area, known as the Hill Country Mile, is distributed and scavenger hunters must find and correctly identify the photos. A drawing is held from all correct entries, and the winner is given a prize package provided from retailers and restaurants along the Hill Country Mile.

This year Martinez will receive "A Taste of Boerne" package for two consisting of gift certificates for breakfast at Bear Moon Bakery & Cafe, lunch at Boerne Epicure Gourmet Market, dinner at The Creek Restaurant, fine wine at the Boerne Wine Company, refreshing Kelani Yogurt and shopping gift certificates to The Victorian Rose and Dienger Trading Company in historic Downtown Boerne.

The City of Boerne, the Boerne Convention and Visitors Bureau and Hill Country Mile extend a special thank you to the local sponsors and partners for making this a fun and engaging annual event—Boerne Epicure Gourmet Market, The Creek Restaurant, The Boerne Wine Company, Bear Moon Bakery & Café, Kelani Yogurt, The Victorian Rose, The Dienger Trading Co., The Flower Shop, Hunting and Gathering for the Home and the Greater Boerne Chamber of Commerce. A special thank you also goes to Kristy Watson of Polonyx Design for another great contest poster.
