Did you know that seniors, 60 and older, with a Boerne Utilities account can have payment flexibility if they don't always receive their income check before the payment due date?

This means that senior accounts are never penalized for not paying by the due date. Late payments will show on the account credit history and disconnection of the account for non-payment will result in the loss of this benefit. Please contact Customer Service at 249-9511 for details on how to sign up for this benefit.

### Yard sheds, playhouses, and permits

A City of Boerne building permit is required if planning to build or install certain structures in your yard.

Boerne's Code Compliance Department is the place to get your permit as well as get answers to any questions you may have. Contact them at 830-249-9511 or visit their website:
